## What you will get

This practical one-day workshop looks at how current employment legislation is correctly applied to the agribusiness sector.

With seasonal work patterns, non-standard working weeks and short term requirements, the agribusiness sector has some specific employment challenges and this workshop gives you practical tips and tricks to managing this as simply as possible.

Our facilitators are all experienced across the agribusiness sector and are up to date with case law which impacts our workplaces....and there's lots of time for questions.

## This workshop helps you understand...

- The right employment arrangements for your circumstances
- How to manage seasonal team members correctly
- The impact of new legislation on the workplace and what you need to do to comply
- How to manage 'the paperwork' so you don't get in to trouble later
- How to manage tenancy matters with your team members and when it's appropriate for tenancy and employment matters to merge

Let us demystify the legislative minefield and help ensure you are compliant
