What you'll get

A two-day plus one intensive programme that helps you build and execute a plan to lead your business and release your time.

A pre-programme 360 review to identify your leadership strengths and risks.

Clear guidance and support through interactive sessions that deal with your issues in real time during the workshop.

Included is follow up on phone coaching support and a group follow-up session.

Our programme will help you...

Identify your business leadership goals and how you can get there.

Put in place the management systems and leadership practices to support your goals.

Step back from the day to day operational running of your business and lead through others.

Develop the skills you need to make this happen.
